

WE HAVE A CONVICTION AT SHANDON THAT...

GIVING TRANSFORMS LIVES

This gift is not only available to those who receive, but also to those who give. Here are just a few of the ways that your generosity will make a life changing impact in 2023. Your contribution will:

1

STRENGTHEN

The scope of our Family Ministry by reaching preschoolers, children, students and their parents through our weekly gatherings, special events, Weekday Preschool, and parent support.

2

EXTEND

Our local, national and global impact by renewing our most cherished mission partnerships, sending individuals and families on mission trips, growing our network of community partners, and serving as a Gospel presence in local schools and organizations.

3

CREATE

Clear and engaging worship experiences that express our heartfelt desire for God's presence and power in our midst.

4

INCREASE

The impact of our Bible study and discipleship environments by launching new small groups and strengthening our Sunday School ministry as we define and develop a comprehensive disciple-making process.

5

REACH

Thousands of middle school, high school and college students who reside in Columbia or attend classes in and around our city.

6

HONOR

The faithfulness and presence of our seniors who embody the wisdom and maturity necessary to guide and guard us in our determination to extend and expand the work of the ministry.

DEAR SHANDON FAMILY

2023 PROPOSED BUDGET

\$7.22
MILLION

Each year our Shandon Staff Team works in partnership with our Finance Committee, Personnel Committee and Deacon body to prayerfully create and present our annual Ministry and Operational Budget. During this unique season of transition, we continue to seek and obey the Lord and celebrate the resilient spirit of those who worship and serve at Shandon. So with a faithful history and a bright future in mind, we are proposing a ministry and operational budget of \$7.22 million in 2023. This figure represents more than just dollars and cents; it is a strategic ministry plan that we believe is forward thinking, missionally driven and prayerfully crafted.

On Sunday, October 23, the 2023 Ministry Budget will be presented formally to the people of Shandon in both worship services. At that time, we will ask you to joyfully affirm and approve the budget as an expression of your personal commitment to strengthen and expand our mission to lead people in our community and around the world into a vital, growing relationship with Christ. By proactively aligning our hearts with Jesus' command to "make disciples of all the nations" and "teach them to observe all that He has commanded," we're able to focus our energy and resources on those tasks that are closest to the heart of God. A season of transition doesn't diminish or negate this glorious assignment, nor our responsibility to give obediently and sacrificially as the people of God.

Our prayer is that you will join others at Shandon in supporting all that God has for us in 2023. This invitation is extended to you in hopes that you will prayerfully make a God-sized pledge that represents your heartfelt desire to share in our future as a church. If you wish to express and declare your commitment personally, please complete the attached pledge card and bring it with you to Shandon on or before Sunday morning, November 13, which has been designated as Pledge Sunday. You may also pledge online at [Shandon.org/give](https://shandon.org/give). Regardless of how you choose to participate, know that your generosity fuels the mission and allows God to demonstrate his extraordinary faithfulness to you personally. May God be glorified through the people of Shandon!
