# SERMON DISCUSSION QUESTIONS

## *Sermon: An Eternal Perspective*

June 7, 2020

1. If God let you pick how old you would look in your new body what age would you choose and why?
2. What were some of your major takeaways from the sermon this week?
3. Verse three says that while in our earthly bodies we “groan” because we want so badly to have a new body. Have you ever had this desire? If so, what prompted it and what were the circumstances?
4. How does the thought of a new heaven/earth and new bodies give you hope personally, especially as you see all the brokenness in the world?
5. How can we use the truths we learned this week to Live Sent?
